

Mid-South Sale

SHORTHORNS — POLLED SHORTHORNS

Monday, April 18

Redline Farms, Dumas, Arkansas

Standing beneath the sign that will welcome you to Redline Farms are from left, A. V. "Andy" Stimson, R. B. "Bob" Stimson, owners of Redline Farms, and Richard Yarnell, cattle manager.

Mid-South Sale

Shorthorns – Polled Shorthorns

12 Noon

Monday, April 18, 1966

Redline Farms

DUMAS, ARKANSAS

63 Head

14 Bulls

63 Females

General Information

TIME — The sale will start promptly at 12 noon, Monday, April 18, 1966.

LOCATION — Redline Farms, Dumas, Ark. The farm is on U.S. 65, 40 miles southeast of Pine Bluff, Ark., or 45 northwest of Greenville, Miss., or 87 miles southeast of Little Rock, Ark.

SALE HEADQUARTERS — Delta Lodge Motel, Dumas, Ark. Telephone (502) EVergreen 2-5115. In Pine Bluff, we recommend The Holiday Inn. Make your reservations early either to R. B. Stimson or direct to the motel.

TRANSPORTATION — Little Rock, Ark., is served by a number of major airlines and direct connections can be made to all parts of the country. Pine Bluff is served by Trans Texas Airways. Rental cars are available at the airports. The staff of Redline Farms will be glad to meet planes in Pine Bluff if advance notice of your arrival is given. Call Bob Stimson (502) EVergreen 2-4527, or Richard Yarnell EVergreen 2-5347 (night).

TERMS — Terms of the sale are cash or check to the clerk at the conclusion of the auction unless other arrangements are made in advance with the consignor from whom you purchase. Be sure to give the clerk complete information on transferring pedigrees and shipment of cattle. All stock will be at the buyer's risk as soon as bid off although naturally every precaution for the safety and well being of the animals will be exercised.

INSURANCE — Will be available at the sale.

LUNCH — Will be available sale day.

HEALTH — All cattle will be sold according to the health laws of Arkansas. Interstate health charts will be provided but **all buyers should make themselves aware of any deviations from Arkansas law that might apply to entry to their states.**

All cattle will have a test for brucellosis within 30 days of the sale unless they are officially calfhood vaccinated and under 30 months of age or unless they come from a brucellosis certified herd.

All cattle will have passed a test for tuberculosis within 30 days of the sale unless they come from a federally accredited herd.

All Redline cattle are vaccinated for Leptospirosis and Black Leg.

GUARANTEE — The cattle are sold under the standard guarantee endorsed by the American Shorthorn Ass'n. Where footnotes appear they were furnished by the consignor or written from information supplied by him. The guarantee shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager, the auctioneer, nor the clerks of the sale assume any liability of any kind. The sale manager was retained for specific promotional and clerical tasks and assumes no liability for fulfillment of guarantees, errors in health charts, condition of the premises or handling of the cattle. Announcements made on sale day shall supercede any written material.

LIABILITY — Redline Farms, its owners or guest consignors will not be responsible for accidents that may occur, but they will make every effort to provide for the safety and comfort of those attending.

AUCTIONEER — Don Smock, Whiteland, Ind.

SALE MANAGER — Harris Simons, 16 S. Locust St., Aurora, Ill.

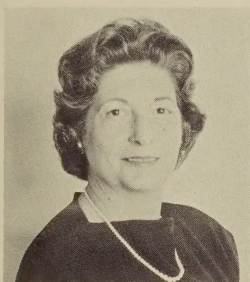

REPRESENTATIVES — C. D. Swaffar, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb.; Joe Gossard, The Corn Belt Journals, Frankfort, Ind.; Gene McDonald, The Shorthorn World, 16 S. Locust St., Aurora, Ill.; Allan Bostwick, The Weekly Livestock Reporter, Fort Worth, Tex. Each of these reliable men will be attending the sale and will be happy to act for those who cannot attend.

DELIVERY — Redline Farm and its consignors will deliver all purchases at a convenient date following the sale to central points within a 400-mile radius of Redline Farms. Trucks will be moving to Houston, Tex.; Owensboro, Ky., and Louisville, Ky., and will deliver any purchases to points conveniently located along their route.

BUFFET DINNER — Mr. and Mrs. R. B. Stimson invite you to be their guest for a buffet dinner at 6:30 p.m. Sunday evening, April 17, at their home on the farm.

R. B. STIMSON

MRS. R. B. STIMSON

Welcome To Redline

Again, we at Redline are happy to host the 3rd Annual Mid-South Sale here at Dumas.

It is our purpose and that of our fine guest consignors to furnish cattle that will go out and spread the Short-horn influence over the Mid-South as well as the rest of the country.

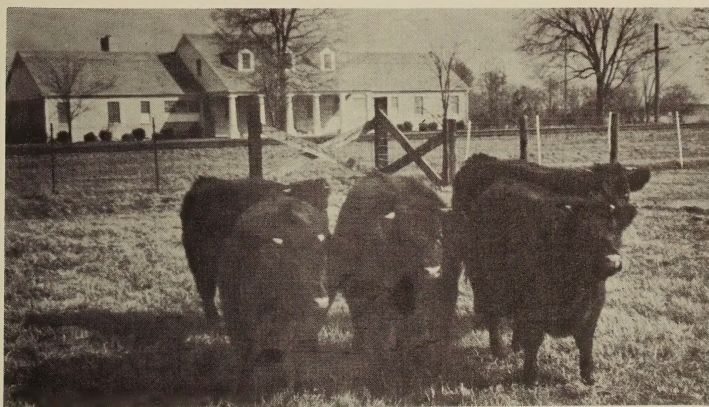

The cattle will be ready for inspection Sunday, April 17.

Kathryn and I want to invite you to a buffet supper at our home at 6:30 Sunday evening, April 17.

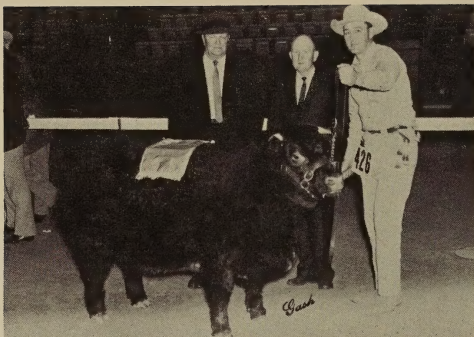

We look forward to seeing you then.

Bob Stimson

Redline Farms

A group of young heifers at Redline Farms. In the background is the Stimson home, where the family will entertain their guests at a buffet dinner, April 17, the night before the sale.

Grand champion female of the Houston livestock show was Fernwood Clipper Rita, shown by Redline Farms. The heifer was also reserve champion at the big, new Dixie National.

From the Sale Manager:

One of the greatest pleasures of the Shorthorn business is working with fine people like Bob and Kathryn Stimson and the entire staff of Redline Farms. Rarely is any single Shorthorn farm blessed with such an abundance of energetic men and women.

Bob Stimson is known and respected throughout the continent as the immediate past president of the American Shorthorn Ass'n, a post he filled capably for two years. Still a member of the board of directors, he has won the admiration of everyone in the breed for his sound thinking and unceasing breed promotion. No distance is too great for him to travel in the interests of the breed. In 1964 he was named "Builder of the Breed," a fitting title.

Kathryn Stimson is equally active in breed affairs and currently is the vice president of the national Shorthorn Lassies who chose her as the 1964 "Lassie of the Year."

Young Bob Jr. is the owner of a few heifers of his own, including the grand champion female at the recent Houston show. His sister, Drew, is a proud consignor of a top quality show heifer to this sale.

Also on hand to greet you on sale day will be A. V. "Andy" Stimson, who is also well-known to Shorthorn and Polled Shorthorn breeders and the Redline cattle manager, Richard Yarnell, to whom the Stimsons give much credit for the success of the herd.

At Redline you will see a very practical and very large farming operation in which Shorthorns play a key part. The Stimson program of growing out bulls to three-year-olds and selling them to commercial breeders in the South is a successful and sound breed expansion program. The goal of this sale is the same — to enlarge the Shorthorn and Polled Shorthorn base in the South.

Bulls like Moy Legend, Glassel Loch Torridon and Leveledale Career have made an important contribution to the herd and their sons and daughters in the sale deserve your most serious consideration. The young Aberfeldy Fearless, All-American service sire of many of the females, has won the admiration of all who have seen him. His first calves, now on the ground, are his greatest recommendation.

Again this year Redline is joined by their friends and neighbors from throughout the South in presenting a strong offering of sound, practical cattle. Plan now to be with them at this third annual Mid-South Sale on April 18.

Harris Simons

THE SHORTHORN WORLD

At Redline Farms, young bulls are grown out in natural surroundings to meet the demand of the southern commercial trade. Many of these pictured are sons of Leveldale Career, sire of Lot 1.

SHAGBARK R ROBIN COLONEL — A good red son of the great Kinellar Royal Robin. Colonel is a deep-set bull with plenty of bone, a thick, deep quarter and a powerful head. This calf was raised by his mother alone. She is a good milking cow and a regular producer with good, straight lines and a great broody head. All through this pedigree there is nothing but great name sires. This is the type of breeding that anyone could use in his herd.

R L F LEGEND VICTORIA—Here is the pride and joy of Redline. Our show heifer, she was an undefeated senior yearling at five major shows last fall. Though only a December two-year-old, this heifer calved a normal calf Christmas Day, which we had the misfortune to lose at one week old, however, we have remated her to Aberfeldy Fearless. This heifer was senior and grand champion at the 1965 Mid South Fair and reserve senior champion of the Dixie National. Plan to see her along with the sons and daughters of Moy Legend and see why we are proud of them. Vaccinated for Bangs and Lepto.

LOUADA WATERLOO COURTESY 3rd — Very few daughters of Glamis Benefactor have ever been offered for sale and this one has a strictly choice pedigree. Glamis Benefactor is the \$60,000 undefeated champion of Great Britain. His sire, Calrossie Diadem, sired four consecutive champions and/or top-selling bulls at Perth before coming to Bilmar Farms, Grand Blanc, Mich., where he sired the 1965 International reserve grand champion female and reserve junior champion bull. Naemoor Waterloo Courtesy is by Perth supreme champion, Bapton Controller. Naemoor Waterloo females have produced many International champion bulls and females in the last several years. Sells open.

Sutherland Diamond x was International reserve senior champion and All-American after one-half interest sold to Royalty Farms for \$4,000. He is the service sire of Lot 47.

GAYWOOD ROSEWOOD 9th—Another good red Autocrat heifer whose calves in our herd are most uniform. She is from an own daughter of N-Bar Prince. Her dam still looks good and is one of our best producers. Sells open and has never been served. A very stylish heifer. Would be a good one to show. Females from N-Bar Prince daughters are hard to come by. Bangs and Lepto vaccinated.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
